

Dr. Price's CREAM BAKING POWDER

There is no alum in Dr. Price's Cream Baking Powder. The names of its ingredients, printed on the label of every can, show it to be made from Cream of Tartar, which comes from grapes.

No alum baking powder or food containing alum is permitted to be sold in many countries. To avoid alum read the label and use only baking powder made from cream of tartar.

Sold Two Per Cent—Fined

Four residents of Wakenda were fined from \$200 to \$250 on the charge of selling 2 per cent alcoholic drinks without a license. A young man, indicted for burglary, pleaded he was drunk and did not know what he was doing. Judge Divilbiss took his testimony and called a special grand jury. While the drink sold might not have contained more than 2 per cent alcohol, the court held that the man being drunk on it was enough and the fines resulted. The breweries making the "two per cent" offered to have their attorneys to assist the men and "drag" the cases out of court. Judge Divilbiss's record for permitting "dragging" cases was shown them and the men decided they had better plead guilty.

Miners' Consumption
often follows a hard cold or cough because the lungs are weakened from inhaling tiny particles of dust, and because they work without fresh air. SCOTT'S EMULSION is the strengthening food- tonic that every miner needs—its nourishing power makes the blood rich and active; it peculiarly strengthens the lungs, makes healthy flesh and strong muscles. **Insist on SCOTT'S.** 14-31 Scott & Bowne, Bloomfield, N. When Anybody Finds a Cure He Is Generally Willing To Tell His Neighbor

¶ The willingness of one neighbor to tell another neighbor in a private way of the benefit received from Peruna, explains the popularity of Peruna more than all the advertising that has been done.

¶ The fear of the publicity undoubtedly prevents the majority of such people from writing a testimonial to be used in the newspaper. But in spite of that we are receiving fine testimonials continually.

ANEMIA—Mrs. F. A. DeWitt, Marengo, Ohio, says: "I believe Peruna to be the best tonic. I recommend it for any run-down condition of the system."

SPRING COLDS—Mrs. Rhoda Stufflebeam, Bunch, Iowa: "A spring cold I took settled on my lungs. Coughed. Could not sleep. We feared consumption. Thanks to Peruna, I am a well woman today."

CATARH—Mrs. Saddle Allen, Joseph, Oregon: "My little boy is entirely cured of catarrh of the ears by Peruna. Am thankful for your good advice."

SPRING TONIC—Mrs. Wm. McRoberts, Brown Valley, Minn.: "Taken in spring Peruna tones up the system, acts as a tonic. I consider Peruna a whole family medicine chest."

¶ How did they hear of Peruna?

¶ Simply because one neighbor is always willing to tell another one he has found a cure. Neighboring conversation of grateful patients has done more for Peruna than advertising. Much more.

THIS LADY'S GOOD APPETITE

Mrs. Hansen, in a Letter From Mobile, Tells How She Gained It.

Mobile, Ala.—"I suffered for seven years, with womanly trouble," writes Mrs. Sigurd Hansen in a letter from this city. "I felt weak and always had a headache and was always going to the doctor. At last I was operated on, and felt better, but soon I had the same trouble."

My husband asked me to try Cardui. I felt better after the first bottle, and now, I have a good appetite and sleep well. I feel fine, and the doctor tells me I am looking better than he ever saw me."

If you are sick and miserable, and suffer from any of the pains due to womanly trouble—try Cardui.

Cardui is successful because it is composed of ingredients that have been found to act curatively on the womanly constitution.

For more than fifty years, it has been used by women of all ages, with great success. Try it. Your druggist sells it.
